

I really don't want to know

How many arms have held you

And hated to let you go

How many, how many, I wonder
But I really don't want to know

How many lips have kissed you

And set your soul aglow

How many, how many I wonder
But I really don't want to know

So always make me wonder

Always make me guess

Even if I ask you

Darling don't confess

Just let it remain your secret

But, darling, I love you so

No wonder, no wonder I wonder
Though I really don't want to know
